Poll: Walibi Holland 2027

In 2027, we want to go to amusement park Walibi with Prometheus.

Would you be willing to pay around 70 euros for a Walibi Special ticket?

This, of course, includes admission to the park, the bus trip, and a picnic afterwards. But there's much more, such as a welcome with coffee, tea, or soda; an introduction talk by a Walibi representative; a behind-the-scenes tour; and… **a half-hour private access for Prometheus to**

the YOY roller coaster?

Let us know below!

Yes, definitely!

No, a regular ticket is fine!

Holiday Lunch

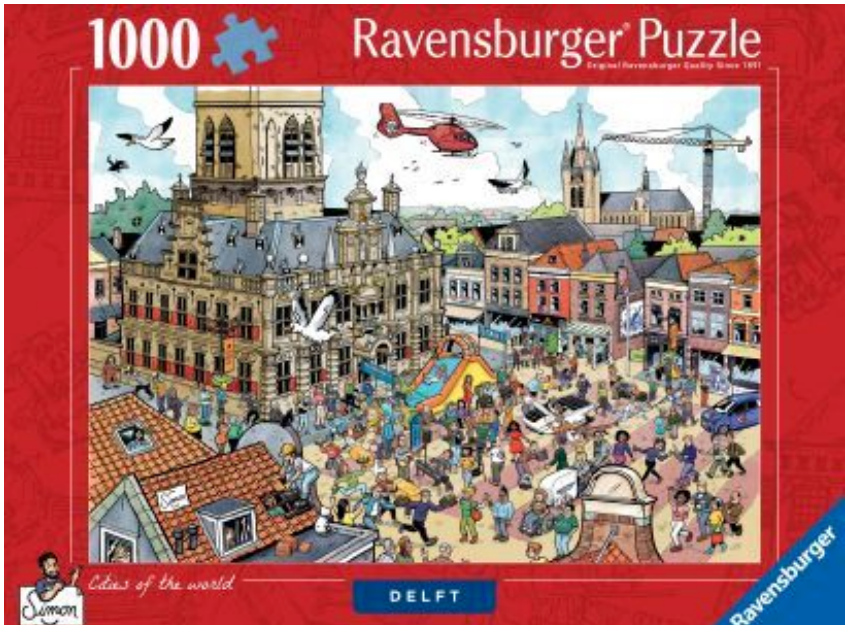

This holiday season, MoTiv, TU Delft, and the local churches in Delft are bringing families and students together for a unique experience, and we want you to be a part of it! After several successful editions, we're excited to continue this tradition.

We're looking for host families who'd like to welcome international students into their homes for a warm, cultural celebration between December 23 and 31, from 12:00 PM to 3:00 PM.

Share delicious meals, stories, laughter, and games with enthusiastic students—together, you'll create memories and bonds that will last long after the season ends.

If you're interested in hosting, we'll match you with students on your preferred date. Together, we can help make the holidays feel closer to home for those who are far from family by spreading the warmth of Dutch hospitality.
